# **PART VI - Seven Soul Types**

## **Various Assumptions about the 7- Churches**

- **First assumption** is the 7- Churches are **Christian Churches** that have existed since Jesus' crucifixion and resurrection in 31 AD +/- 3 years and **do not exist today**.
  - The letters to the 7-Churches were just letters sent the head of each church, but the Holy Bible does not identify these men by name.
  - The Preterist view is that all was fulfilled in 70 AD with the destruction of the Temple.
  - Some view that all was fulfilled by the Catholic Church.

# **PART VI - Seven Soul Types**

## **Various Assumptions about the 7- Churches**

- **Second assumption** is the 7-Churches are symbolic of **Christian Churches** that have existed since Jesus' crucifixion and resurrection in 31 AD +/- 3 years and **exist today.**
  - This view was developed during Reformation Period from 1517-1648 AD.
  - This view is associated with various allegorical understandings of the **Book of Revelation.**
  - These views of Book of Revelation are typically presented as the struggle between good and evil.

# **PART VI - Seven Soul Types**

## **Various Assumptions about the 7- Churches**

- **Third assumption** is the 7-churches represent **Christian Church ages**.
  - This view may have been introduced by Isaac Newton (1642 to 1727 AD).
  - The approximate **Christian Church ages** are:
    - **Ephesus:** The Apostolic Church Age from 31 to 96 AD.
    - **Smyrna:** The Roman Persecution Age from 96 to 313 AD.
    - **Pergamos:** The Age of Constantine from 313 to 538 AD.
    - **Thyatria:** The Dark Ages from 538 to 1517 AD.
    - **Sardis:** The Reformation Age from 1517 to 1739 AD.
    - **Philadelphia:** The Missionary Age from 1739 to 1900 AD.
    - **Laodicea:** The Age of Apostasy from 1900 to return of Jesus the Messiah.
  - This view is also compatible with some Futurist understandings.

# PART VI - Seven Soul Types

## Various Assumptions about the 7- Churches

- **Fourth assumption** is that **every individual soul** that has ever existed is or was a member of one of the 7- churches.

<u>Church</u>	<u>Individual's Soul Type</u>	<u>YHWH's direction</u>
Philadelphia:	Individuals who are willing to die for YHWH --	Continue on.
Smyrna:	Individuals who are dedicated to YHWH -----	Remain faithful.
Ephesus:	<u>Individuals who place self above YHWH</u> -----	<b>REPENT.</b>
Laodicea:	<i>Individuals who place self above all else</i> -----	<b>REPENT.</b>
Thyatria:	<i>Individuals who place self above Satan</i> -----	<b>REPENT.</b>
Pergamos:	<i>Individuals who are dedicated to Satan</i> -----	<b>REPENT.</b>
Sardis:	<i>Individuals who are willing to die for Satan</i> -----	<b>REPENT.</b>

# **PART VI - Seven Soul Types**

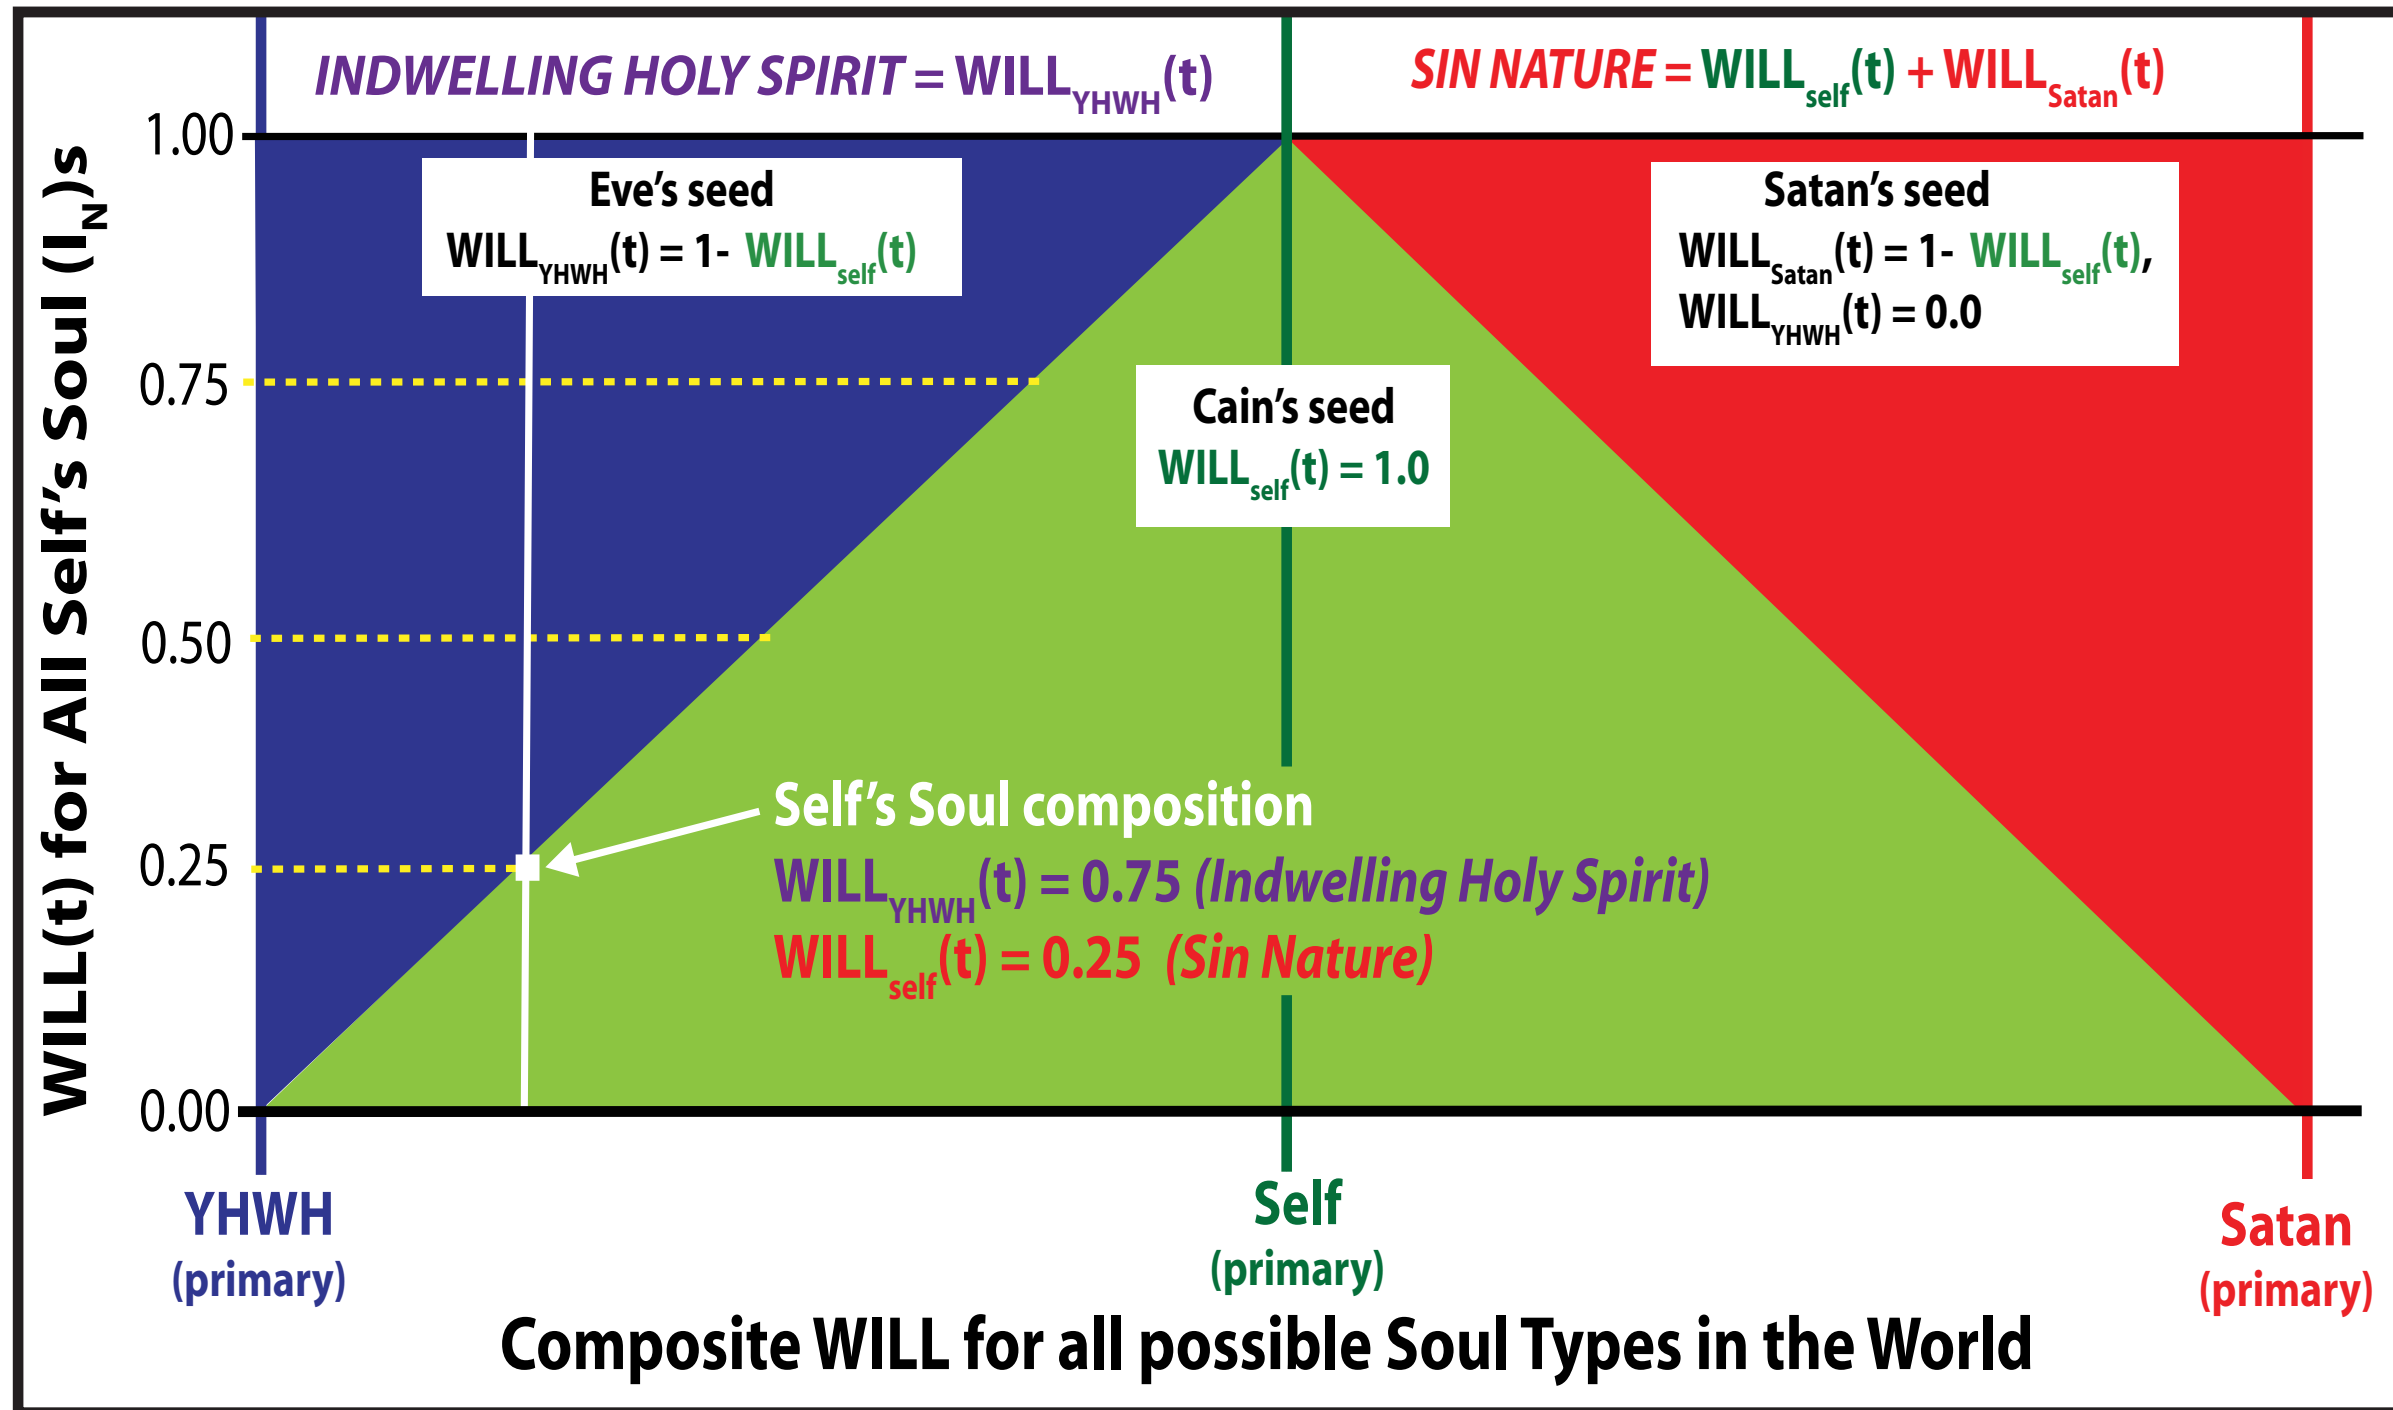

## **Various Assumptions about the 7- Churches**

- **The preceding four assumptions raise the question who did YHWH target the Holy Bible for?**
  - **Is the Holy Bible a handbook for Christian Churches only?**
  - **Does the Holy Bible apply to all individuals?**
- **The rest of this presentation deals only with the Fourth Assumption.**
  - **That is every individual soul that has ever existed is or was a member of one of the 7- churches.**
- **Recall YHWH started in Genesis 1-3 by identifying the composite WILL for the 3 - Primary Soul Types as addressed in Part IV.**

# PART VI - Seven Soul Types

## *Various Assumptions about the 7- Churches*

# **PART VI - Seven Soul Types**

## **Various Assumptions about the 7- Churches**

- **YHWH in Genesis 9:8-17 after Noah's flood makes a covenant with mankind not to flood the earth again.**
  - **The symbol for the covenant is a *bow in the cloud or rainbow*.**
  - **The rainbow has seven colors or one color for every Soul Type.**
  - **The colors are red, orange, yellow, green, blue, indigo and violet.**
- **After Israel fell at Mount Sinai YHWH placed the 7 branched Menorah in the Tabernacle's Holy Place.**
  - **Each branch of the Menorah represents a Soul Type.**
  - **When the length of each branch is subtracted from the center branch the resulting lengths can form a Normal Distribution.**

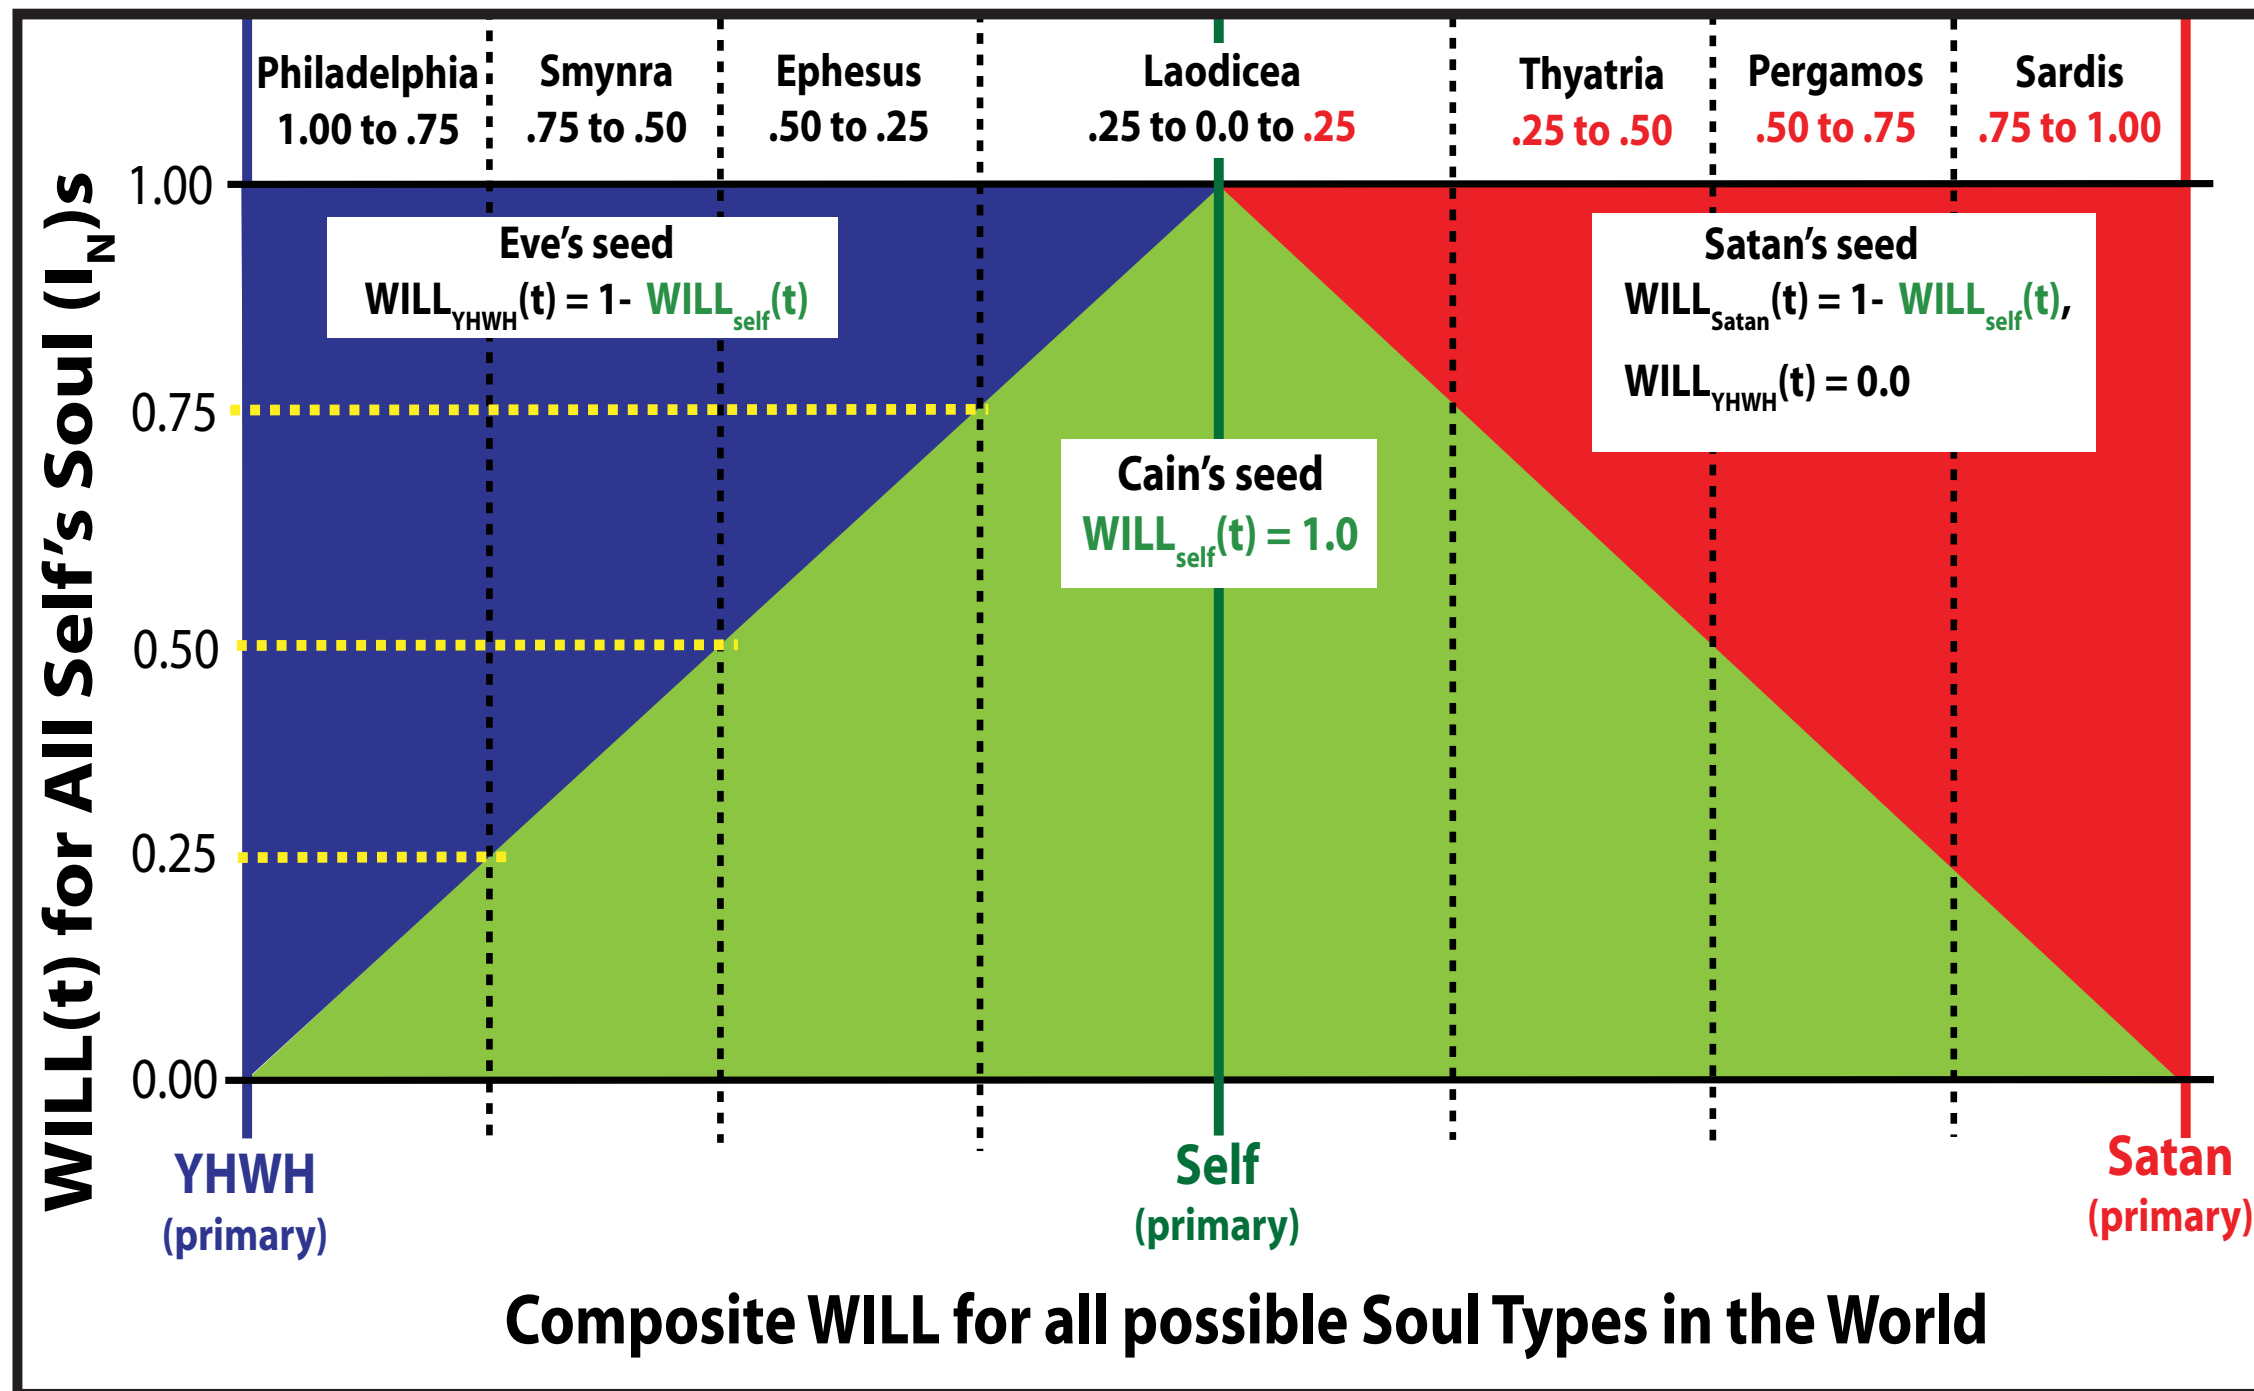

# **PART VI - Seven Soul Types**

## **Church's percentage of World's Population(WP)**

- **The next step is to allocate the composite WILL for the 3-Primary Soul Types to the 7- churches in the Book of Revelation.**
  - **Each church then contains a number of individuals with Soul Types within a particular range of magnitudes WILL.**
  - **Each church then reflects a range of ratios of *Indwelling Holy Spirit* to its *Sin Nature* for each member's soul.**
- **To allocate the composite WILL for the 3-Primary Soul Types the magnitude of WILL is divided into 4 equal parts. 0.0 to .25; .25 to .50; .50 to .75; and .75 to 1.00 for Eve's, Cain's and Satan's seed.**

# PART VI - Seven Soul Types

## Church's percentage of World's Population(WP)

# PART VI - Seven Soul Types

## Church's percentage of World's Population(WP)

- **Now the question becomes how are these 7-soul types, distributed across World Population (WP)???**
- **When the 7-soul types are assumed distributed across the WP in accordance with a *Normal Distribution or bell curve*, then all the unique numbers in the Book of Revelation are specifically validated!!**
- **The normal distribution curve is described by the equation:**

$$Y(z) = 1/(2 \pi)^{1/2} e^{-z/2}$$

**Where  $Y(z)$  = The number of people in the world with any given soul type.**

**$z$  = The soul type of each individual.**

- **Integrate the number of people with a given soul type  $Y(z)$  over  $z$ , and the area under the curve will equal the World's Population (WP).**

# PART VI - Seven Soul Types

## Church's percentage of World's Population(WP)

- If the area under the curve is equal to the WP, then dividing the result by the WP will be equal to 1.0 and the area under the curve will represent the population density associated with each Soul Type.
- The population density associated with the 7-Soul Types is then:

$$\int_{-\infty}^{+\infty} Y(z)dz = WP/WP = 1$$

# PART VI - Seven Soul Types

## Church's percentage of World's Population(WP)

- Substituting the **Normal Distribution** equation for  $Y(z)$  in the population density equation it yields:

$$\int_{-\infty}^{+\infty} 1/(2\pi)^{1/2} e^{-z^2/2} dz = 1$$

- Now the objective is to divide the z-axis into **7 equal parts**, one part for each Soul Type so that the fraction of the world's population having a particular Soul Type may be estimated.
- **NOTE:** For values of z greater than +3.5 or -3.5, the population density is equal to zero for all practical purposes.

# PART VI - Seven Soul Types

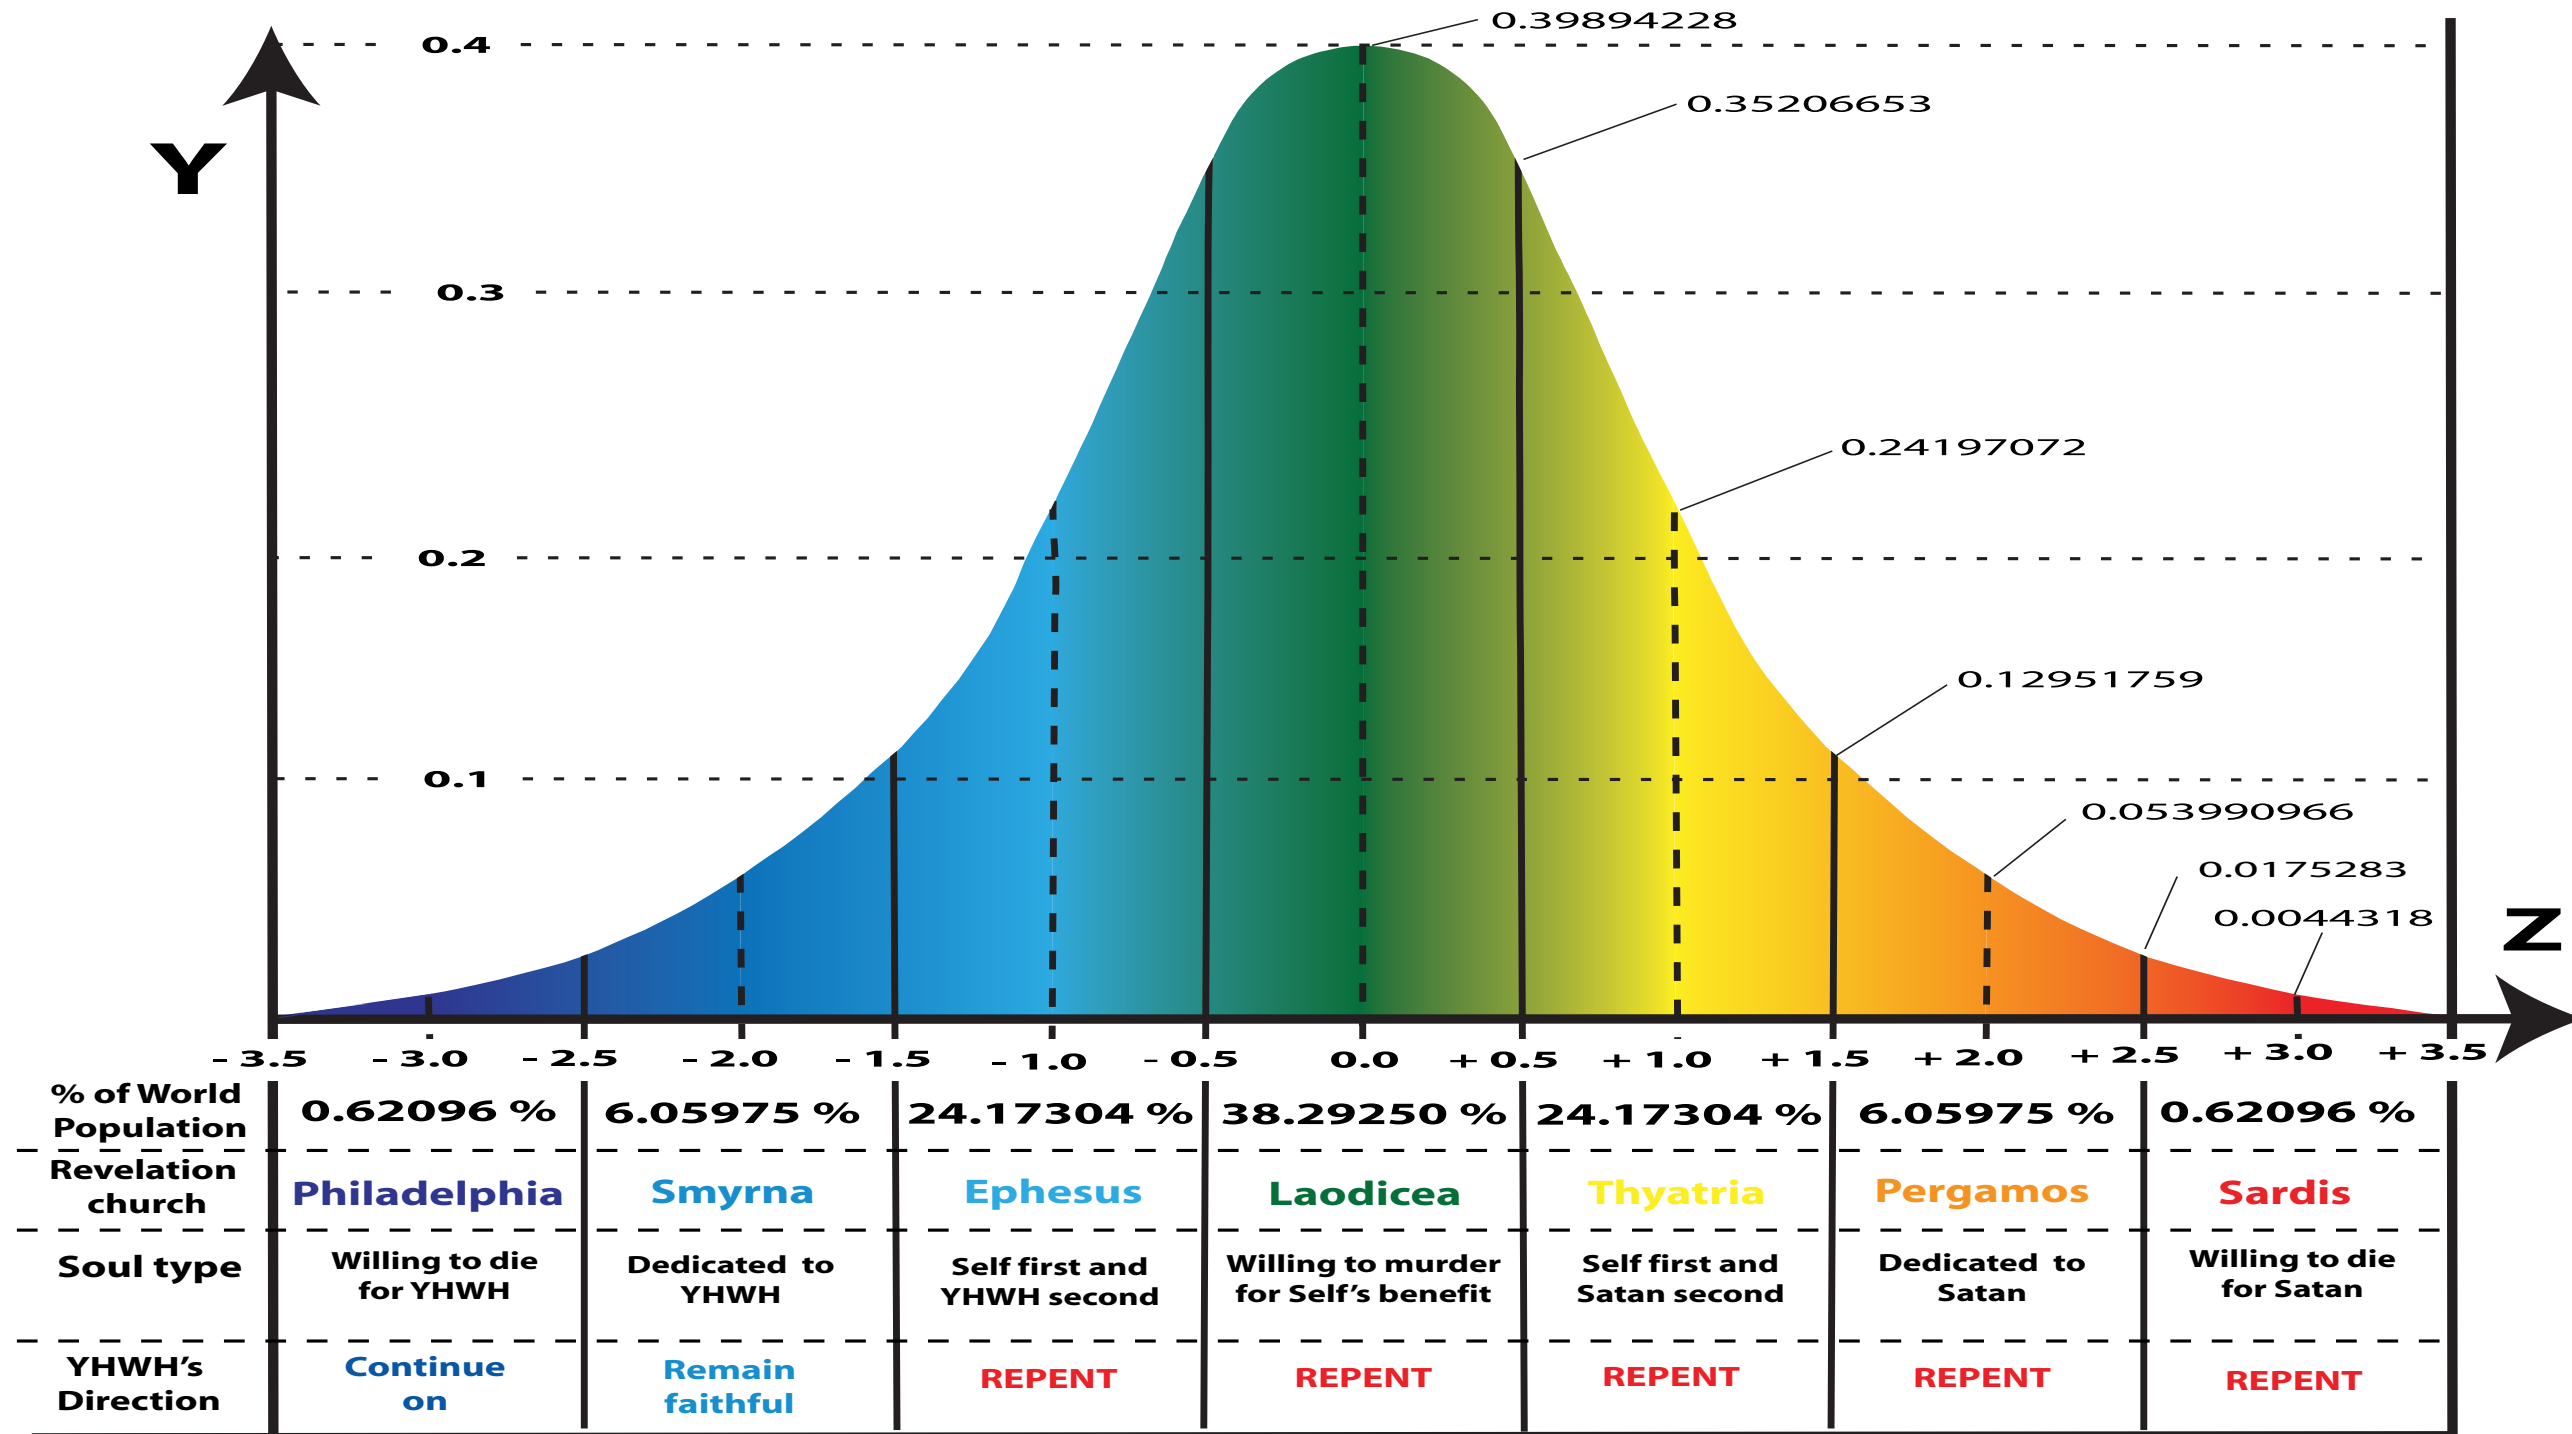

## Church's percentage of World's Population(WP)

- The fraction or percent (%) of the World's Population (WP) in each church is obtained by dividing the z axis into the following 7 equal parts.
  - $z = -3.5$  to  $-2.5$  **Philadelphian** Soul Type.
  - $z = -2.5$  to  $-1.5$  **Smyrian** Soul Type.
  - $z = -1.5$  to  $-0.5$  **Ephesian** Soul Type.
  - $z = -0.5$  to  $+0.5$  **Laodicean** Soul Type.
  - $z = +0.5$  to  $+1.5$  **Thyatiran** Soul Type.
  - $z = +1.5$  to  $+2.5$  **Pergamian** Soul Type.
  - $z = +2.5$  to  $+3.5$  **Sardian** Soul Type.
- Then to compute the percentage of WP for each church we integrate from  $z = -3.5$  to  $+3.5$ .

## *Time Dependent Revelation Validation Considerations*

- **Validation outside Biblical text is based on the following:**
  - 1. Compare the biblical Normal Distribution for the 7-Soul Types with today's world religion data.**
- **Validation within the Biblical text is based on the following:**
  - 1. Revelation 5:11 Identifies a very specific bounded number = 100,000,000 to 361,000,000.**
  - 2. Revelation 6:8 The 4 Horseman of the Apocalypse will murder 25% of the World's Population the last day of Smyrna and all of Ephesus.**
  - 3. Revelation 9:9-11 Trumpet 6 sounds (Woe #2) murder of 1/3 of World's Population.**
  - 4. Revelation 14:20 The WINEPRESS is trodden without the city, and blood came out of the WINEPRESS, even unto the horse bridles, by a space of 1600 furlongs.**

## Tribulation Overview - Principle of Harvest

- The *Principle of Harvest* states that during the 7-year Tribulation Period each individual will endure tribulation for a number of days proportional to the magnitude of his  $WILL_{YHWH}(t)$ ,  $WILL_{self}(t)$  and  $WILL_{Satan}(t)$  before he dies.
  - **No man knows the day or hour he will die!**
- Knowing the the number of people in each church and their period of tribulation allows the computation of the rate that people will die or the harvest rate.

# PART VI - Seven Soul Types

## Tribulation Overview - Principle of Harvest

- ***RAPTURE*** of Philadelphia and Smyrna occurs during the 10 Days of Awe between Yom Teruah and Yom Kippur
  - Philadelphia 0.62096% WP + Smyrna 6.05975% WP = 6.68071% WP that will be Raptured.
- Ephesus, Laodicea, and Thyatira have the same ***Harvest rate***.
  - Ephesus and Thyatira judgments are both 2 years:  
30 days/month \* 12 months/year = 360 days\* 2 years = 720 Days  
Less the Rapture or Winepress is 720 Days - 10 Days = 710 Days
  - The **Harvest Rate** = 24.17303% WP / 710 Days = **0.03405% WPdie/day**
  - The Laodicean Soul is unique because the **Remnant of Israel** does not die during the Laodicean judgment.

# PART VI - Seven Soul Types

## Tribulation Overview - Principle of Harvest

- Today the Nation of Israel represents about .10% WP and the Jewish religion represent about .24 % WP, which are predominately from the tribes of Judah, Benjamin, Levi.
- Today the ***Remnant of Israel*** is spread throughout the world and includes all 12 tribes of Israel including the lost 10 tribes.
  - The ***Remnant of Israel*** are Laodiceans who do not recognize Jesus as the Messiah.
  - The ***Remnant of Israel*** are the only people who will survive the entire 7-year Tribulation Period with mortal bodies.
  - The ***Remnant of Israel*** will be lead by the 144,000, 12,000 from each of the 12 tribes starting with the Laodicean judgment throughout the remainder of the Tribulation Period.

# PART VI - Seven Soul Types

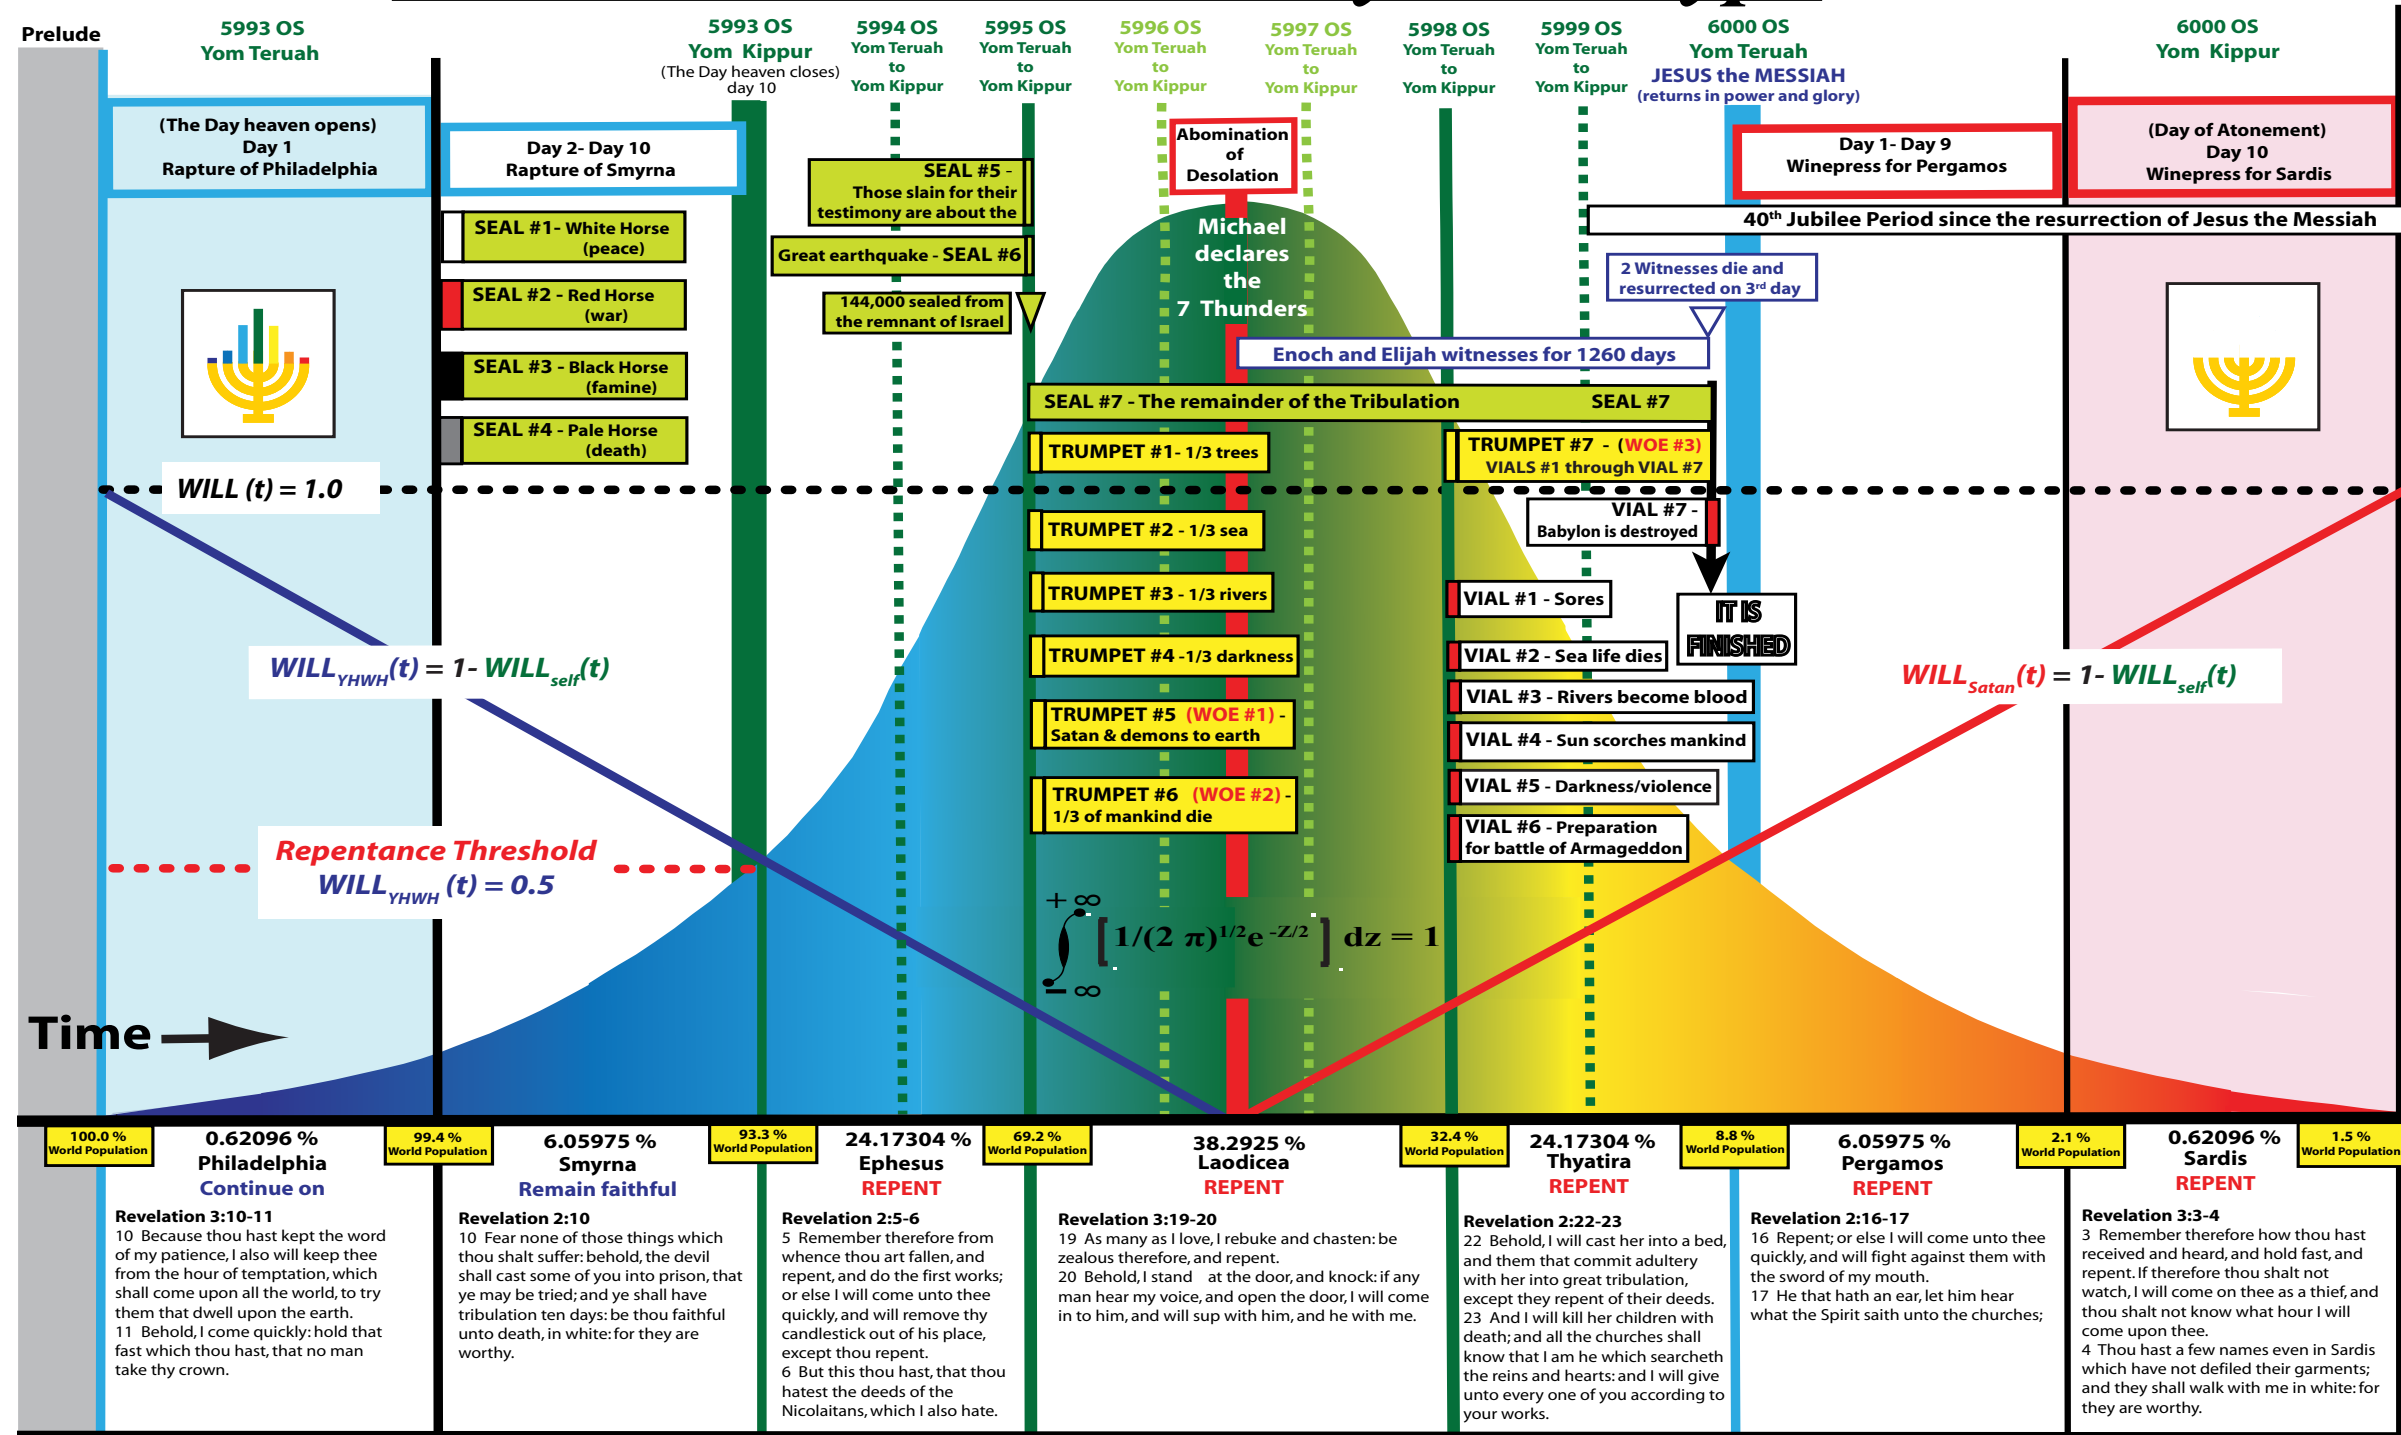

## Tribulation Overview - Principle of Harvest

- The ***Remnant of Israel*** estimate is based on the *Principle of Harvest*
  - Laodiceans are 38.29250% WP
  - Laodiceans that will die during their 3 years of judgment is:  
3 years \* 360 days/year = 1080 days  
1080 days \* 0.03405% WP die/day = 36.77026% WP will die.
  - The ***Remnant of Israel*** are those people who do not die during the Laodicean judgment and is equal to  
38.29250 % WP - 36.77026% WP = **1.52224% WP.**
- ***WINEPRESS*** for Pergamos and Sardis occurs during the 10 Days of Awe after Jesus the Messiah returns in power and glory.
  - Pergamos 6.05975% WP + Sardis 0.62096% WP = 6.68071% WP
